

We welcome you to an elite group of education professionals who have attained National Board Certification and invite you to join us in promoting the ideals of this highly sought-after education credential.

The mission of SEVA NBCT Regional Network is to advance the quality of teaching and learning by:

- Focusing on the five core propositions of the National Board,
- Supporting a collaborative network of National Board certified teachers, candidates, regional superintendents, state legislators, community/business members, parents, and other educational professionals,
- Connecting network participants with teacher leadership opportunities, and
- Promoting the sharing of ideas and expertise within the National Board network as well as within the regional professional community.

Some of our membership benefits include:

- Networking with Region 2 NBCTs in area school districts,
- Supporting pre-candidates and candidates through workshop and conference opportunities,
- Promoting National Board Certification to all teachers in all districts in the Region 2 area, and
- Staying current with NBPTS policy and VA DOE professional development opportunities.
